O P I N I O N  A N D  F I N D I N G S

On March 28, 2000, Integra was granted authority to operate as a local exchange telecommunications carrier within the state of Nebraska pursuant to Docket C-2174. On April 11, 2000, Integra was granted authority to operate as an interexchange telecommunications carrier in the State of Nebraska pursuant to Docket C-2236.

By application received on October 17, 2008, Integra requested the withdrawal of both certificates of authority to operate as a local exchange and interexchange carrier of telecommunications services in the State of Nebraska. Integra is not providing any service to customers in Nebraska currently and has no plans to offer service in Nebraska in the future.

Upon consideration of the request and being fully advised, the Commission finds the request to be reasonable and finds that Integra's authority to operate as a local exchange and interexchange carrier of telecommunications services in the State of Nebraska should be withdrawn along with its tariffs.
