O P I N I O N A N D F I N D I N G S

On February 4, 2003, the Nebraska Public Service Commission (Commission) opened the above-captioned docket to investigate the current status of distance learning in Nebraska. The Commission received comments and held a workshop to address concerns regarding the timely deployment of distance learning, particularly in smaller communities.

The legislature has largely addressed the Commission's concerns regarding the deployment of distance learning through the passage of LB 1208 [2006]. Accordingly, the Commission finds this investigation should be closed.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the above-captioned docket be, and it is hereby, closed.

MADE AND ENTERED at Lincoln, Nebraska, this 15th day of October, 2008.
