NEBRASKA BROADBAND PILOT PROGRAM
NUSF-77
APPLICATION OF CENTURYLINK, INC.
Project: Kimball County Roads 37 and 50

1. **A listing of all companies associated with the proposed broadband project.**

United Telephone Company of the West d/b/a CenturyLink will provide the broadband and voice components in this project. CenturyLink is an incumbent local exchange carrier in Nebraska. The point of contact is:

2. **A description of the proposed broadband project plan.**

This project would provide broadband service at 4 Mbps download and 1 Mbps upload to approximately 9 homes around County Roads 37 and 50 near Kimball. The area is in the Kimball exchange.

3. **A description of which areas are "unserved" or "underserved."**

Based on the end-of-year 2011 data from the National Telecommunications and Information Administration, the proposed project area encompasses some areas that are currently unserved and some areas that are currently served by broadband service at varying speeds.

All of Census Blocks 1097, 1087, 1851, 1093, 1096, 1094, 1095, and 1043 and portions of Census Blocks 1028, 1044, 1045, and 1042 are currently unserved and will be able to receive service at speeds of 4 Mbps download and 1 Mbps upload once this project is completed. This project will also provide broadband service at speeds of 4 Mbps download and 1 Mbps upload to all of Census Block 1045, which currently have broadband service available, but at speeds less than 3 Mbps download. In addition, due to the way broadband service must be deployed, Census Block 1027 and portions of Census Blocks 1028, 1044, and 1042 will also be able to receive broadband service from CenturyLink at speeds up to 4 Mpbs download and 1 Mbps upload. These areas currently have access to broadband service at varying speeds greater than 3 Mbps download.

4. **An electronic map.**

Please see Attachment A. This attachment is confidential.

5. **An estimate of the number of potential new broadband subscribers.**

This project will provide broadband service to approximately 5 living units.

6. **A schedule for broadband deployment.**

CenturyLink intends to complete the buildout and deployment of broadband within 24 months of receiving NUSF-77 funding approval. Within 6 months of approval of the application, CenturyLink will complete the planning and engineering for this project. Within 6 months of the completion of the planning and engineering, CenturyLink will complete the placement of the cable needed for this project. Within 6 months of the cable placement, the equipment will be placed. Finally, within 6 months of the equipment placement, CenturyLink will test the newly placed facilities and turn up service.

7. **A proposed budget.**

Please see Attachment B for the proposed budget. This attachment is confidential.

8. **Proposed retail pricing.**

The retail pricing for the proposed project area will be the same as the retail pricing for broadband services in CenturyLink's service territory in Nebraska. The pricing will vary depending on the speed the subscriber chooses. The monthly recurring price for CenturyLink's broadband service is as follows:

Description	Up to 256 Kbps Download/256 Kbps Upload	Up to 1.5 Mbps download/896 Kbps Upload	Up to 7 Mbps download/896 Kbps Upload
CenturyLink High Speed Internet with Email service	$31.99	$44.99	$54.99
CenturyLink High Speed Internet without Email service	$24.99	$37.99	$47.99
CenturyLink High Speed Internet without internet access or ISP features	$15.00	$28.00	$38.00
