BEFORE THE NEBRASKA PUBLIC SERVICE COMMISSION

In the Matter of the Application of Alltel Communications of Nebraska, Inc., Little Rock, Arkansas, seeking expansion of Eligible Telecommunications Carrier Designation pursuant to section 214(e)(2) of the Communications Act of 1934	)	Application No. C-3739 GRANTED Entered: February 27, 2007

BY THE COMMISSION:

By Application filed December 15, 2006, Alltel Communications of Nebraska, Inc., Little Rock, Arkansas ("Alltel Wireless"), seeks to expand its designation as a competitive eligible telecommunications carrier ("ETC") pursuant to Section 214(e)(2) of the Telecommunications Act of 1934, as amended (the "Act"), 47 U.S.C. § 214(e)(2), and Section 54.201 of the Federal Communications Commission's ("FCC") rules, 47 C.F.R. § 54.201. Notice of the Application was published in The Daily Record, Omaha, Nebraska, on December 19, 2006. On December 21, 2006, a Petition for Formal Intervention was filed by the Rural Independent Companies ("RIC")[1]. On February 22, 2007, RIC filed a Motion to Withdraw said Petition. No Protests or Formal Interventions are now pending; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

O P I N I O N A N D F I N D I N G S

The Applicant was authorized by this Commission on March 7, 2006, to be a competitive ETC for the purpose of receiving federal Universal Service Fund support as part of Application No. C-3497. In that Application, a hearing was held and after reviewing the evidence submitted therein, it was determined that

[1] RIC is comprised of the following companies: Arlington Telephone Company, Blair Telephone Company, Cambridge Telephone Co, Clarks Telecommunications Co., Consolidated Telco, Inc., Consolidated Telecom, Inc., Consolidated Telephone Company, Eastern Nebraska Telephone Company, Great Plains Communications, Inc., Hartington Telecommunications Co., Inc., Hershey Cooperative Telephone Company, K & M Telephone Company, Nebraska Central Telephone Company, Northeast Nebraska Central Telephone Company, Rock County Telephone Company, Stanton Telephone Co., Inc., and Three River Telco.

Alltel satisfied each of the requirements set forth in the Commission's designation rules and applicable federal regulations for designation as a competitive ETC. The application was approved unanimously.

In the current application, Alltel Wireless seeks to expand its ETC designation to areas previously not requested in Application No. C-3497. Alltel Wireless' requested service areas in the application are set forth in the attached **Appendix A and B** to this Order. The material presented herein to support this application is substantially similar to the information that was previously reviewed and subsequently approved in Application No. C-3497.

Approving the present application will enable Alltel to receive Federal Universal Service Fund support for additional rural telephone company service areas within its licensed service area in Nebraska. Alltel Wireless requests ETC designation throughout the entire study area of each rural telephone company identified in **Appendix B**. We find that designation of Alltel Wireless as a competitive ETC in these additional areas of Nebraska is in the public interest.

Upon consideration of the application, the governing statutes and rules, and being fully informed, the Commission is of the opinion the application should be granted.

O R D E R

IT IS THEREFORE ORDRERED by the Nebraska Public Service Commission that the application of Alltel Communications of Nebraska, Inc., should be and it is hereby granted and Alltel Wireless is hereby designated as a competitive eligible telecommunications carrier in the non-rural telephone company wire centers and rural telephone company service areas set forth in the attached **Appendix A and B** for the purpose of receiving federal universal service support as requested in the Application.

IT IS FURTHER ORDERED that Alltel Wireless will need to receive a Nebraska Eligible Telecommunications Carrier ("NETC") designation in order to be eligible for Nebraska Universal Service Fund ("NUSF") support.

IT IS FURTHER ORDERED that Alltel Wireless continue to file, as prescribed in Application No. C-3497, all related annual reports and certification material required by the Commission's ETC Rules.
