On June 7, 2001, a joint application was filed by United Telephone Company of the West, dba Sprint (Sprint) of Overland Park, Kansas and WWC License, L.L.C. (WWC) of Bellevue, Washington, seeking approval of their voluntarily-negotiated resale agreement. Notice of the application was published in The Daily Record, Omaha, Nebraska, on June 11, 2001. No protests were filed; therefore, this application is processed pursuant to the Commission's rule of modified procedure.

Pursuant to Section 252(a) of the Telecommunications Act of 1996 (the Act), Sprint and WWC entered into an interconnection agreement arrived at through voluntary negotiations. An executed copy of the voluntarily-negotiated interconnection agreement is contained within the application.

Neither the agreement nor any portion thereof discriminates against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the agreement is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the interconnection agreement should be approved.
