BEFORE THE COMMISSION:

On September 25, 2002, an application was filed by United Telephone Company of the West, d/b/a/ Sprint (Sprint), of Overland Park, Kansas, and Comm South Companies, Inc. (Comm South) of Dallas, Texas, seeking approval of their master interconnection and resale agreement. Notice of the application was published in The Daily Record, Omaha, Nebraska, on September 30, 2002. No protests were filed; therefore, this application is processed pursuant to the Commission's rule of modified procedure.

Pursuant to Section 252(a) of the Telecommunications Act of 1996 (the Act), Sprint and Comm South entered into a master interconnection and resale agreement. An executed copy of this agreement is contained within the application.

Neither the agreement nor any portion thereof discriminates against any telecommunications carrier that is not a party to the agreement. Furthermore, the implementation of the agreement is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the master interconnection and resale agreement should be approved.
