On August 13, 2004, Qwest Communications (Qwest) of Denver, Colorado, filed an application seeking approval of an Amendment to the Single Point of Presence (SPOP) Amendment with PinPoint Communications, Inc. (PinPoint) of Cambridge, Nebraska, previously granted in Application No. C-2605. Notice of the application was published in The Daily Record, Omaha, Nebraska, on August 18, 2004. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

On October 30, 2001, pursuant to Application No. C-2605, the original interconnection agreement between Qwest and PinPoint was approved by this Commission. In the current application, Qwest and PinPoint seek to amend the agreement by adding terms and conditions to their existing interconnection agreement. An executed copy of the amendment is contained within the application.

The amendment does not discriminate against any telecommunications carrier. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.
