BY THE COMMISSION:

O P I N I O N A N D F I N D I N G S

On January 17, 2006, Qwest Corporation (Qwest) of Denver, Colorado, filed an application seeking a Triennial Review Order and a Triennial Review Remand Order amendment to its wireline adoption agreement with Metropolitan Telecommunications of Nebraska, Inc. (Metropolitan), of New York, New York. Notice of the application was published in The Daily Record, Omaha, Nebraska, on February 10, 2006. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

A wireline adoption agreement between Qwest and Metropolitan was approved by the Commission in Application No. C-3538. In the current application, Qwest seeks to amend the agreement by adding a Triennial Review Order and Triennial Review Remand Order amendment to the interconnection agreement. An executed copy of the amendment is contained within the application.

The amendment does not discriminate against any telecommunications carrier. Furthermore, the implementation of the amendment is consistent with the public interest, convenience and necessity.

Section 252(e) of the Act requires this Commission to review negotiated interconnection agreements to ensure they comply with Sections 251 and 252(d) of the Act, as well as all applicable state laws. Using those standards, the amendment filed January 17, 2006, should be approved.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that the amendment to the interconnection agreement between Qwest Corporation and Metropolitan Telecommunications of Nebraska, Inc., be, and it is hereby, approved.

IT IS FURTHER ORDERED that the executed amendment filed herein be, and it is hereby, made the official copy on file with the Nebraska Public Service Commission.

MADE AND ENTERED at Lincoln, Nebraska, this 2nd day of May, 2006.
