BY THE COMMISSION:

By application filed August 28, 2001, Viva Telecom, L.L.C. (Viva) of Salt Lake City, Utah, seeks authority to obtain a Certificate of Public Convenience and Necessity to operate as a reseller of interexchange telecommunications services within the state of Nebraska. Notice of the application was published in The Daily Record, Omaha, Nebraska, on August 29, 2001. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

O P I N I O N A N D F I N D I N G S

Viva, a Utah corporation, is principally located in Salt Lake City, Utah, and is authorized to conduct business in Nebraska. Viva has authority to provide interexchange services in eight states and has pending applications in nine states. At no time has the applicant nor any of its members been involved in a formal complaint or other investigatory enforcement proceeding.

Viva neither owns nor operates any switching, transmission or other physical facilities in the State of Nebraska. Viva is a reseller of long distance telephone service offered by facilities-based interexchange carriers such as AT&T and MCI. Viva will obtain inbound and outbound wide area telephone service type services from interexchange carriers that are certified to render such service in Nebraska. These services will in turn be resold to customers who purchase Viva's prepaid phone cards and other calling products.

Interexchange reseller applications are subject to Commission jurisdiction under Neb. Rev. Stat. §§ 75-604 and 86-805 and Title 291 of the Commission's Rules and Regulations, Chapter 5, Rule 003.12. From examination of the application filed herein, the Commission finds Viva has provided all the information required by the Commission, possesses adequate financial resources to provide the proposed service and possesses adequate technical competency to provide the proposed service. The application should be granted.
