Concert is a Delaware corporation with its headquarters in Reston, Virginia. Concert was authorized by this Commission to operate as a local exchange carrier of telecommunications services within the state of Nebraska on August 10, 1999, pursuant to Application No. C-2042 and as a resale carrier of telecommunications services June 15, 1999, pursuant to Application No. C-2025.

In the current application, Concert requests the Commission to grant a name change for both its interexchange and local authorities, due to business considerations. A copy of the company's amended certificate of authority issued by the Secretary of State is enclosed with the application.

On January 28, 2003, the Commission approved Concert's application in regard to its interexchange authority. However, the approval for Concert's local authority was overlooked, therefore, upon consideration of the application, the governing statutes and rules, and being fully informed, the Commission is of the opinion that the application should also be granted for its local exchange authority.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-2850 be, and it is hereby, granted and Concert Communications Sales, L.L.C is also authorized to operate its local exchange operations under BT Communications Sales L.L.C.

IT IS FURTHER ORDERED that the applicant file an updated local tariff reflecting the change in name within 30 days of the date of this order.
