BY THE COMMISSION:

On September 23, 2003, the Nebraska Public Service Commission (Commission) opened the above-captioned proceeding to commence a critical cost analysis for ALLTEL. The docket originally arose from an arbitration proceeding between ALLTEL and Nebraska Technology & Telecommunications, Inc. ("NT&T").

ALLTEL and NT&T have since entered into an agreement which addresses the issues presented in this docket.

On June 28, 2005, ALLTEL and NT&T filed a Joint Motion for Dismissal stating that based upon their agreement the present docket is moot and should be dismissed.

The Commission finds that this docket should be closed and the motion granted.
