BY THE COMMISSION:

By original petition, dated May 11, 2005, the Communications Department (Department) of the Nebraska Public Service Commission (Commission) initiated this docket requesting the Commission to revoke the operating authority of various defendants for failure to file annual reports pursuant to Neb. Rev. Stat. § 86-159 (2004 Cum. Supp.) All companies who had not filed annual reports with the Commission were named as defendants in this docket. A copy of the Petition and the Order Opening Docket was mailed to each defendant via certified United States mail.

The defendants are interexchange (IXC) and local exchange (Local) telecommunications companies generally regulated by the Commission, pursuant to Neb. Rev. Stat. § 75-101, et. seq. (2004 Cum. Supp.) and §§ 86-101 et. seq. (2004 Cum. Supp.). Defendants are also governed by Title 291, NAC Chapter 5 of the Commission's Rules and Regulations.

As part of its regulatory authority and pursuant to § 86-159, the Commission, through its Communications Department, requires telecommunications companies which file an annual report with a federal agency to file a copy of the same report with the Commission on or before the date on which said report is filed with the federal agency. Every such company not required to file such a report with a federal agency is required to file an annual report with the Commission in a form prescribed by the Commission on or before April 30th of each year.

A number of defendants have signed a stipulation with the Department wherein each defendant admits to filing its report late and agrees to pay an administrative fine to dismiss the departmental complaint. The signed stipulations are satisfactory and therefore, the following defendants should be dismissed from the complaint:

3U Telecom, Inc.
Association Administrators, Inc.
CAT Communications International, Inc.
Touch 1 Communications, Inc.

The companies listed in the preceding paragraph should be aware that this Commission will not tolerate similar behavior in 2006 regarding the filing of the 2005 report. If reports are not postmarked on or before April 30, 2006, the option of resolving the complaint through a stipulation will be closely scrutinized. All companies that have agreed to such a stipulation will be considered a willful violator and be subject to the maximum penalty allowed.

The above-named defendants have complied with the provisions of § 86-159 and have satisfactorily remitted an annual report for the year 2004; therefore, said defendants should be dismissed from this complaint.

In addition, the following companies were included in the complaint as a result of filing errors on the part of the defendants or due to a failure to provide the necessary filing fee in addition to the completed report and accordingly will be administratively dismissed:

Action Communications, Inc.
Avera Communications, LLC
Global Connection, Inc. of America
PT-1 Communications, Inc.
Reliant Communications, Inc.
Telecom Resources, Inc.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that 3U Telecom, Inc., Association Administrators, Inc., CAT Communications International, Inc., Touch 1 Communications, Inc., Action Communications, Inc., AmeriVision Communications, Inc., Avera Communications, LLC, Global Connection, Inc. of America, PT-1 Communications, Inc., Reliant Communications, Inc., Telecom Resources, Inc., be, and they are hereby, dismissed from the departmental complaint.

IT IS FINALLY ORDERED that any defendant who subsequently files a satisfactory annual report may execute a stipulation with the department similar to that offered to the above-named companies in an effort to obtain dismissal.
