BY THE COMMISSIONER:

By application filed July 15, 2005 Allo Communications LLC (Allo), Imperial, Mobius Communications Company (Mobius), Hemingford, and Pinpoint Communications, Inc. (Pinpoint), Cambridge, jointly request an investigation of the Commission to modify its findings and conclusions issued in C-2516 and NUSF-26 regarding competitive business telecommunications. Dockets C-2516 and NUSF-26 were proceedings initiated by the Commission on its own motion. The Commission caused notice of this application to appear in the Daily Record on July 21, 2005. Petitions of Formal Intervention were filed by the following: The Rural Independent Companies, Arlington Telephone Company, Blair Telephone Company, Clarks Telecommunications Co, Consolidated Telephone Co., Consolidated Telco Inc., Consolidated Telcom Inc., Eastern Nebraska Telephone Co., Great Plains Communications Inc., Hartington Telecommunications Co. Inc., Hershey Cooperative Telephone Company Inc., K & M Telephone Company Inc., Nebraska Central Telephone Company, Northeast Nebraska Telephone Company, Rock County Telephone Company, Stanton Telephone Co Inc., and Three River Telco., (collectively the "Rural Independent Companies"), through their attorneys Paul Schudel and James Overcash; and by Nebraska Technology and Telecommunications Inc. ("NT&T"), and Orbitcom, Inc., through their attorney Mark Fahleson.

A Petition of Formal Intervention was filed out of time by Qwest Corporation (Qwest) on September 26, 2005. The Petition of Formal Intervention was not served on all parties of record prior to the Planning Conference. However, all parties were made aware of Qwest's filing at the Planning Conference. No party opposed Qwest's Petition. Qwest argues that it will likely be affected by the determinations made by the Commission in this proceeding. Upon consideration of the circumstances in this case and in the interest of fairness, the Commission has

decided to waive section 015.01B of the Rules of Commission Procedure and give Qwest party status in this case.

The parties attending the Planning Conference agreed upon the case progression schedule detailed below. Service shall be sent electronically to all parties to this proceeding, accompanied by or followed-up with paper copies.
