BY THE COMMISSION:

On January 31, 2008, the Commission docketed a request by United Way of the Midlands based on a request from the United Way of York for use of "211" as the dialing code for First Call for Help (FCFH) services in the City of York, York County, Nebraska.

The Commission previously assigned "211" to United Way of the Midlands in Application Nos. The Commission finds that use of "211" by United Way of the Midlands should be expanded to the City of York, York County, Nebraska.

The contact person for United Way of the Midlands is Jamesena Grimes Moore, who can be reached at (402)522-7930. The routing numbers to be used for the "211" service are (402)444-6666 and (866)813-1731.

Consistent with the original applications, it is the Commission's preliminary belief that individual carrier costs for "211" access will not be significant. If, however, a carrier seeks recovery of costs associated with routing "211" calls for expansion of "211" access to Fillmore County, the Commission requires that plans for cost recovery be submitted to the Commission for approval.

The Commission will make available suggested language for directory listings and bill inserts. Affected telephone companies must use, at minimum, the information contained in these materials to inform their customers of the availability of "211" service. Affected telephone companies include those that serve the City of York. The public must have easy directory access to 211 and other public interest numbers in order to maximize the benefit of such designations of scarce numbering resources. The Commission continues to strongly urge all carriers to require their directory publishing companies to display all public interest numbers such as 211, 511, 711 and 911 in a common and easily accessible location in the directory such as inside the front cover.

The Commission finds that **June 18, 2008**, should be the deadline for "211" routing for the City of York, York County, Nebraska.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that "211" is hereby, designated for use by United Way of the Midlands for a referral service in the City of York, York County, Nebraska.

IT IS FURTHER ORDERED that **June 18, 2008**, is the deadline set by the Commission for implementation of "211" routing for the City of York.

IT IS FINALLY ORDERED that carriers seeking recovery of costs associated with routing "211" calls for the City of York submit cost recovery plans to the Commission for approval.

MADE AND ENTERED in Lincoln, Nebraska, on this 18th day of March, 2008.
