BY THE HEARING OFFICER:

By Order entered on April 28, 2009, the Commission opened this investigation to address the issues raised by a Petition for Declaratory Ruling filed by several rural independent local exchange carriers. The Commission, in the Order opening the investigation, found the issues raised by the rural independent companies raised issues of statewide commercial concern. Notice of this proceeding appeared in the Daily Record, Omaha, on April 29, 2009.

A Petition for Formal Intervention was filed by the following rural independent companies: Arapahoe Telephone Company, Arlington Telephone Company, Blair Telephone Company, Eastern Nebraska Telephone Co., and Rock County Telephone Company (all of such companies d/b/a American Broadband); Hamilton Telephone Company; Glenwood Telephone Membership Corp.; Hemingford Cooperative Telephone Company; Nebraska Central Telephone Company; and Northeast Nebraska Telephone Company (the "Rural Companies"). A Petition for Formal Intervention was also filed by Qwest Corporation on June 12, 2008. The request was filed after the 30 day protest and intervention deadline. Qwest requested the Commission grant its Petition as it did not realize interventions were required for participation in the proceeding until after the deadline had past. Upon consideration of this request, I find the Petition for Intervention should be granted and Qwest shall be added to the service list in this proceeding.

At the present time, the service list is as follows:
