BY THE HEARING OFFICER:

By Order entered on April 28, 2009, the Commission opened this investigation to address the issues raised by a Petition for Declaratory Ruling filed by several rural independent local exchange carriers. The Commission, in the Order opening the investigation, found the issues raised by the rural independent companies raised issues of statewide commercial concern. Notice of this proceeding appeared in the Daily Record, Omaha, on April 29, 2009.

A Petition for Formal Intervention was filed by the following rural independent companies: Arapahoe Telephone Company, Arlington Telephone Company, Blair Telephone Company, Eastern Nebraska Telephone Co., and Rock County Telephone Company (all of such companies d/b/a American Broadband); Hamilton Telephone Company; Glenwood Telephone Membership Corp.; Hemingford Cooperative Telephone Company; Nebraska Central Telephone Company; and Northeast Nebraska Telephone Company (the "Rural Companies"). Qwest Corporation filed a Petition for Intervention on June 12, 2009, which I granted as Hearing Officer.

At the planning conference held on June 23, 2009, a procedural schedule was discussed and agreed to by counsel for the Formal Intervenors. On September 21, 2009, the parties requested modification to the procedural schedule and a continuance of the hearing date. As Hearing Officer in this docket, I hereby grant their request. The updated procedural schedule is adopted as follows:
