of DeltaCom, Inc., and Business)
Telecom, Inc., Huntsville,) ORDER VACATING APPROVAL
Alabama, seeking approval of)
Guarantee of indebtedness.) Entered: March 23, 2010

BY THE COMMISSION:

On February 3, 2010, an application was filed by DeltaCom, Inc. ("DeltaCom"), and Business Telecom, Inc. ("BTI") (collectively, "Applicants") of Huntsville, Alabama, seeking approval of guarantee of indebtedness. Notice of the application was published in The Daily Record, Omaha, Nebraska, on February 8, 2010. No protests were filed. On March 16, 2010, the Commission granted approval of the application.

On March 18, 2010, the Commission received an amended application of DeltaCom, Inc. and Business Telecom, Inc. for approval of a guarantee of indebtedness. The amended application broadens the scope of the February 3, 2010 application. Applicants originally proposed to act as guarantors of the indebtedness of the parent company, ITCD. The transaction will include the issuance of notes to investors in a private placement offering, up to a maximum of \$350 million, to be secured by a guarantee of Applicants' assets. In its amended application, Applicants seek authority to enter into various debt financing arrangements up to an amount totaling \$500 million.

Because the amended application enlarges the scope of the application, the Commission will publish such notice in The Daily Record to give any interested person time to protest or intervene. The Commission hereby vacates its March 16, 2010, Order granting approval of the original application. The Commission will consider the amended application after the time for intervention and protest has passed.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that its March 16, 2010, Order in the above-captioned matter be, and it is hereby, vacated.
