Re: Masergy Communications, Inc. Application to Withdraw Certificate of Authority

Dear Mr. Pursley:

Masergy Communications, Inc. ("Masergy" or "the Company"), by undersigned counsel, requests that the Commission cancel Masergy's certificate of public convenience and necessity to resell interexchange telecommunication services in the State of Nebraska. The Company is authorized to provide resold interexchange telecommunication services pursuant authority granted by the Commission in Application No. C-4415. As required, the Commission's Application form to Withdraw Certificate of Authority is enclosed herein.

As the Company does not currently provide intrastate telecommunications services in Nebraska that require a certificate and has no plans to do so in the future, the Company respectfully submits that the withdrawal of its authorization is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

An original and one (1) copy of this letter and Application form are enclosed for filing. Please date-stamp the enclosed extra copy and return it in the envelope provided. Also enclosed is a check in the amount of \$200 to cover the filing fee. An electronic copy will be sent by e-mail.

Should you have any questions regarding this filing, please do not hesitate to us.

Respectfully submitted,

Douglas D. Orvis II
